

Required Student Check List

All students are required prior to attending the school to purchase the required equipment, check it off and sign at the bottom of the list

- Small chainsaw with dime tip bar with brand new never used ¼" pitch semi chisel with safety links between cutters.
Note: We recommend also bringing a medium size saw with brand new never used semi-chisel chain with safety links between cutters with 16" bar.
- Steel toed leather boots
- Chainsaw protective shirt
- Brand name chainsaw protective safety gloves
- Total leather welding gloves (no canvas or goat slim) or steel mesh safety gloves
- Chain saw protective leg chaps that wrap around lower leg or complete chainsaw safety pants
- Face tight safety eye goggles
- Safety glasses
- Safety helmet with ear protection and with face shield down while carving (safety glasses to be worn beneath safety helmet that fit skin tight around the eyes).
- Watched and understood professional chainsaw safety video.
- Practiced at least 5 hours with chainsaw making various angles cuts to feel comfortable using the chainsaw as a tool.
Note: Chainsaw protective gloves are to be worn at all times when operating a chainsaw. Leather welding gloves are to be worn when operating non chainsaw power equipment.
- Signed waiver sent back to school.

By my signature below I agree that I have purchased the required supplies and have checked them off (✓) and will be responsible to wear all protective gear at all times while on the school premises and not hold school liable to police me.
